

Army Celebrates "American Education Week"

"A Stronger Army Begins with Educated Soldiers!"

The Army Continuing Education System (ACES) joins educators from across the country to celebrate American Education Week. From **November 13th to the 19th**, the Army again refocuses on strengthening their resolve to educate America's Soldier students to meet the challenges of leadership today and tomorrow.

The Army Education Center offers a variety of programs to assist Soldiers in obtaining their college degree, certification or licensure.

These programs take into consideration Soldiers' busy career and their personal time whether leisure or with family. No longer tied to the traditional classroom type of education, Soldiers can now earn their degree through a variety of distance learning programs sponsored through their local Army Education Center.

The Army Education Center on Fort Leavenworth invites Soldiers, family members and DA civilians to participate in the activities planned by the staff in celebration of
"American Education Week"

on
Wednesday, 16 November 2005.

 **Refreshments!**
 **"5" Door Prizes!**
 **Goodie Bags for all!**

Fort Leavenworth Education Center
120 Dickman Avenue, Bldg 62
Phone: (913) 684-2496
